Pine Lake Weathers the Storm

Ella Johannaber

After almost a week of heavy rain, Pine Lake saw it's worst flood in years on September 22nd. Creek and lake levels were already high when another four inches of rain dumped on Pine Lake late Sunday night and early Monday morning. With most of the state under flash flood warnings, our lake and creek levels lifted above the berm and bridges, overflowing into streets, yards and houses, particularly along Lakeshore Dr. Other homes were flooded from the torrential rains and overwhelmed drain system.

The neighborhood response was immediate. A number of citizens walked the streets, assessing damage and need. Notices began to be posted on the online message boards and many neighbors responded to help those who needed a hand. Sandbags were laid and trenches dug in anticipation of the next wave of storms forecasted to hit in the afternoon.

By Tuesday, a small group of citizens, in collaboration with PLAIN, pulled together a soup and sandwich supper for the community, especially those who were flooded. Over thirty neighbors came to eat, tell their stories and listen. Many came to see how they could help out.

As the dean-up continues, so does the helpful response. Pine Lake Baptist Church has offered their space for drop-off and distribution of furniture, clothing and food donations. Eleza Vaughn has been keeping track of who needs what, checking in on folks who flooded the worst. Phone calls,

PLEAS = Pine Lake Environment Access & Stewardship

PLL = Pine Lake Local (Business Networking and Support)

TAB = Tree Authority Board

Halloween Neighborhood Watch Plans

Please plan to attend the Neighborhood Watch meeting at the Beach House on October 22nd. We will be going over the plans for keeping our neighborhood safe on Halloween.

We need volunteers to work in conjunction with the Pine Lake Police Department and stand at key corners around the community to make sure that all is well. Parents, grandparents, and concerned citizens are encouraged to please be a part of this fun holiday and help keep our kids and neighborhood safe.

Reflective vest provided. All you need is a flashlight (and a costume, maybe?)

You can come to the meeting or call Faye Ridling at 404-294-6577 or Greg Creech at 404-299-1706 – *Neighborhood Watch Co-chairs*.

PLAINTalk is the monthly publication of news and events for citizens of the City of Pine Lake and is produced and published by volunteer PLAIN members.

SUBMISSIONS

PLAIN welcomes submissions to PLAINTalk that report on news in our community, invite participation in city events and projects, celebrate our uniqueness and diversity as a community, highlight the accomplishments and adventures of our citizens, and bring to light helpful information.

Yard of the Month

Yard of the Month for October goes to Greg Creech on Spruce Drive. Greg's yard is nice all year round but really begins to 'pop' with the beginning of the holidays. Starting with Halloween Greg's yard is a sight to see. There are jack-o-lanterns and black cats and tombstones. Some years severed hands, legs and heads come up out of the ground, and witches stir black cauldrons full of bubbling brew. Driving down the street, it is a must to slow down and appreciate all the special effects and fun decorations that Greg faithfully displays for all of us to enjoy!

Yard of the Month now extends through the winter months with a focus on yard art and Holiday decorations October through February. Is there a yard you'd like to see recognized? Send your nomination for Yard of the Month to plaintalkeditor@plainhelps.org or call Candice Howland at 404 294-5682.

PLAIN Halloween Party 10/31 at 4pm at the Beach House!

Join in the fun and volunteer! Be on the decorating team — we'll meet at 2pm at the Beach House — or help monitor and referee the games and activities. We also need cookies and icing for cookie decorating. Story time is at 5:30 pm so please, get in on time and find your seat; access to the beach house will be limited so story tellers can be heard without interruption. Pizza and drinks will be available for \$1 each. All other activities are free as always. Join us for a great time!

Pine Lake Weathers the Storm

Continued from front page.

messages online, (see box at the end of this article) and the word on the street in our walk-around-the-lake community has been all about, "How can I help?" This outpouring of concern is what we'd all expect from our tight-knit community but is no less inspiring.

As of this writing, more rain and flooding is forecasted for the next few days. Next month's PLAINTalk will continue this story and feature stories of gratitude. Please tell what happened in the flood and how you were helped, or what you noticed. Who would you like to thank?

I'll start the ball rolling by thanking Eleza Vaughn and Pam Heiges for the soup and sandwich supper and for making me feel a part of a caring community. It helped a lot. Thanks also to my neighbors across the street, Matt and Megan Pulsts, who were out and about making sure everyone was okay early Monday morning, offering camaraderie and helpful advice. And thank you to our next-door neighbor, Donna, who brought her shovel over and helped us dig the trenches that saved us from further flooding when the rains came again.

Continued on pg. 7

Pine Lake Caring and Sharing

Faye Ridling

It's time to start thinking about our Thanksgiving and Christmas Caring and Sharing baskets.

For many years Pine Lake neighbors have been donating food, gift cards and money to help neighbors who are having a hard time making ends meet. The gift cards and money are used to purchase food and each basket contains enough food to meet the families' needs for a couple of weeks.

If you are in need of help or you know someone who is in need of help, give me a call at the number below. I will contact the person you refer to see what the needs are. All information is kept in strict confidence.

The deadline for neighbor referrals is November 20th. If you would like to help, please call me at 404-294-6577. You can drop off donations at my home: 635 Ivy Rd. Also, there will be a container at the November and December Pancake breakfast for your donations.

Greg Creech presents Microsoft® Community Office® Workshops

The Courses and Dates

- ✓ **September 19** — Productivity In Office: Productivity and Shortcuts throughout the Office (Word, Excel, PowerPoint, and Outlook) Tips N Tricks/Shortcuts.
- ✓ **September 26**— Excelling @ Excel: The 5'F of Excel - Formatting, Fill, Formulas, Functions, and Filter/Sorts.
- ✓ **October 17**— PowerPoint Pizzazz!
- ✓ **October 31**— Outlook: Productivity and Functionality
- ✓ **November 14**— Word for Writers: Creating Powerful, Winning Documents

All classes on Saturdays - 8:30 - 12:30 at First MCC (N. Druid Hills and I-85).

Please bring your laptop for hands-on exercises.

Agenda

- ✓ 8:00-8:30 - Set-up Laptop and Bagel/Fruit Breakfast.
- ✓ 8:30-9:00- Introductions, Expectations, Complete Set-up, and finish breakfast.
- ✓ 9:00 - 12:30 - Course content and health/snack break.
- ✓ 12:30 Wrap-up, Pack-up, and Next steps

Cost and Materials

- ✓ \$65 per person (10% off if you take all 5 classes - refund presented at Graduation Ceremony)
- ✓ 20+ handouts for each class
- ✓ Sample and practice files

NOTES FROM CITY HALL

PROVIDED BY THE CITY OF PINE LAKE

www.pinelakega.com

October 2009

RECENT COUNCIL ACTIONS

Highlights from August 24 and September 14, 2009

Council meetings:

- Approved a resolution establishing a permit fee of \$25. to remove tree(s) from personal property. The permit application must be accompanied by an arborist's report.
- Established a "Complete Count" census committee, chaired by Melanie Hammet, to improve the collection of census data from Pine Lake.
- Discussed a schedule for the creation and public review of the budget
- Discussed city policy on vacation and comp time, the location of a fire circle on the beach;
- Discussed the terms and conditions of the contract with the city arborist and referred the matter to the Tree Authority Board;
- Discussed the need for an ordinance addressing property owners who do not paint or otherwise finish wood and other materials in construction projects, and referred the matter to the Architectural Review Board.

Five Candidates Throw Hats in the Ring Four citizens have qualified to run for three open council positions in the November 3rd election. Cindy Diamond, Megan Pulsts, Melanie Hammet and Kathie deNobriga make up the current slate. Mike Stuckey's qualification for election is pending.

Look for their state ments on page six in this issue of PLAINTalk.

WANT to VOTE?? If you're new to Pine Lake, you have until October 5 to register to vote in the Pine Lake elections. Come by the office during regular hours for the simple paperwork that will allow you to vote in the most local of elections.

New Website

Thanks to the volunteer efforts of Jeff Braithwaite and a small group of helpers, the new City website is slowly taking shape...check out the new features at www.pinelakega.com. If you have suggestions for the site, or comments, please send them to Greg Creech or Kathie deNobriga.

Census 2010: "Complete Count" In March of 2010, every resident of Pine Lake will receive a simple one-page census form (only 7-10 questions) and will have one month to complete it. If forms are not returned, workers will go door-to-door to compile the information.

The census questionnaire is much simpler than in previous years – it takes about one minute to complete! It's very important to the City that everyone complete the form, because many state and federal services and grants are figured on our per capita population – our last census said that only 621 people lived in Pine Lake, and we're pretty sure that's way low – which means that, for the last ten years, we the people of Pine Lake haven't gotten our 'fair share.' Concerns about privacy are understandable, but census data is closed to all inquiries (including presidential requests) for a period of 72 years! (Some families will receive a longer American Community survey,

which is also protected for the same period.) So please, be counted and return your census forms.

Public Meeting on Stream Project

In accordance with the legal requirements for the "Snapfinger Creek Water Quality Improvements and Habitation Creation and Enhancement Project," the City will hold a public meeting on Monday, October 5 at 1pm in City Hall. The purpose of the meeting is to inform the public of the "need for expanded improvements to the City's environ-

mental project which include, but are not limited to dredging of Pine Lake, installation of a bio retention feature on Lake Shore Drive, increase in size of the constructed wetland cells at the west end of the lake, and to make improvements to the Snapfinger Creek stream bed." The meeting will attempt to identify public preference and concerns which will be evaluated and included in the city's planning documents. This meeting is a legal requirement, and the consulting engineers will be in attendance.

Hold Those Bottles! Last month, in response to questions about our recycling service, Council Member Bitsy Pitts, Faye Ridling and Candi Howland visited the plant operations of our recycling contractor. (They wrote a great article in last month's **PLAINTalk**.) They discovered a very interesting fact – our recycler does not have the equipment to handle glass -- in fact, the inclusion of broken glass in the mix contaminates and ruins the whole batch. So until further notice, **PLEASE DO NOT PUT GLASS IN YOUR CITY RECYCLING BIN!** The city is working on a solution to this, but in the meantime, you can take your glass to the DeKalb Farmers Market where it is separated (by color) for successful recycling. Thanks for your patience in this matter.

The Book Exchange needs a custodian. Glenn Gunhouse, who, together with Elizabeth Shields, set up the Pine Lake Book Exchange in the Beach House several years ago, has moved out of Pine Lake. If this informal book borrowing service is to continue, someone needs to take over the responsibility for ensuring that the shelves do not overflow, that the donated books are in reasonably good condition and neatly arranged, and that there are no inappropriate materials within the reach of children. It's an easy task; check the shelf in the Beach House once a month — during the PLAIN breakfast is a great time to do this. If anyone is interested in taking on this responsibility, please speak to Councilmember deNobriga. Council needs to know who to contact if there should be a problem with the Book Exchange.

PL Police Department Receives Grant. Sam's Club donated \$500.00 to the City of Pine Lake Police Department to assist us in purchasing another computer. The City of Pine Lake extends a huge thank you to Sam's Club for their support of our Police Department.

Thanks to Diane Johnston for installing the address of the Beach House on the beach side of the building. Diane volunteered her time to order and affix the numbers and letters. We're grateful for her initiative in posting the address, making the Beach House more easy to find for guests and emergency personnel as well.

Meet the Candidates

Thanks to all who have stepped forward, willing to serve on City Council.

There are three council positions open.

Here are the candidates' replies to the question, "Why do you want to serve on Council?"

Kathie deNobriga, Incumbent "A person with more sense might think that seven-and-a-half years on City Council was enough. Under other circumstances, I would agree, but we're in an extraordinary moment in Pine Lake, and I want to be part of our government's future for the next four years. The ground has been laid to support new development on Rockbridge Road, an absolute necessity for our city's financial growth and long-term sustainability. Our internal systems and procedures are being fine-tuned, but need continued care and attention. Our environmental projects are coming to fruition and people are working together productively on several projects that make our City proud. We're at a critical point to keep moving forward, and I want to continue to be a part of that progress."

Melanie Hammet, Incumbent "Our little city is one-of-a-kind and I'm so proud to call it my home. I've worked on council to strengthen our city from the *inside*: with our police, our natural and built environment, and with community-building through the arts, and from the *outside*: in our relationships with sister cities, the county, and the state. I have the commitment, skills, and energy to help protect and improve what we have. I'm asking for your vote so that I can continue to serve our city for another four years."

Cindy Diamond "I have been a resident of Pine Lake for 2 years, but have been an admirer of the community for some time. When we realized that we would have to move from our home in Stone Mountain and find a house that could accommodate my 16 year old niece, my 87 year old mother, Ann, two dogs and me, our realtor suggested building in Pine Lake. It was a great idea and, we're very happy here. I have been a business owner for most of my adult life. From my years as a musician in the 80's, to my current endeavor, owning our restaurant, (Duck's in Decatur) I have learned the importance of developing dreams, resources, and potential into reality. I decided to run for City Council to contribute my knowledge, and experience as a business owner, toward the pursuit of developing the incredible resources available in Pine Lake. I want to attract viable businesses to the city which would in turn, bring in much needed tax revenue. I would also like to promote a program of sustainability within the community."

Megan Pulsts "I want to serve on City Council because Pine Lake has a sense of community like no place I have ever lived. The wonderful people here have given us so much; serving on Council is a way I can give back and increase my involvement. From the time my husband Matt and I moved here, we have been active in many local projects, from hauling hay bales and clearing overgrowth at the outset of the Eastern Wetlands improvements, to participating in the planning meetings before the Code rewrite. I also currently serve on the Tree Authority Board. My training in law and policy makes me unique among the candidates and current council members. I look forward to bringing my legal skills and enthusiasm as part of the team, helping Pine Lake grow and thrive."

Michael Stuckey "I want to continue the work we began on what Dr. King called the 'Beloved Community.' Some see tolerance as an end. I see tolerance as a beginning. As Mayor, during the investigation of a fire at Pine Lake Baptist Church, I was quoted in the Washington Post as saying that issues of race, color, creed, religion, gender, and orientation should be 'non-issues.' The Beloved Community is when we can all love each other despite our differences and treat each other with respect, not just tolerance. In 1998, as Mayor, I penned and the City Council approved our 'Vision Statement.' It reads as follows: 'To become the neighborhood of choice in the diverse community of DeKalb County.'

I hope to bring my experience in fundraising and parliamentary procedure to the council to help it continue good works and function in a more streamlined manner."

Pine Lake Weathers the Storm
Continued from pg.4

I'll let you know if those trenches hold through the weekend! I'm so grateful to live in a community that cares if my trenches held.

Please send me your stories, "thank you's" and photos to plaintalkeditor@plainhelps.org by Oct. 10th.

Much of the communication concerning the flood has taken place over the online message boards. If you are not a part of the Pine Lake online community and would like to join a message board and stay in better touch with what's happening around Pine Lake, you can go to the PLAIN website at www.plainhelps.org and look for the link "get connected." All the various online discussion groups are listed there.

Pine Forest Apartments

Pine Forest Apartments is under new management!

Apartment Available Now For Lease

Our goal is to lease our apartments to artists, students and professionals who fit in and appreciate the uniqueness of the Pine Lake Community.

If you know anyone you would like to have living in Pine Lake, we'll pay you \$200 if they qualify and move in. And, we'll give them 1 month of free rent!

Help us find people that you would be happy to have as your neighbors.

It is a great deal for you and them!

Thanks for your support!
